

PACKING LIST - ENGLAND

PACK YOUR BAGS!

The AdventureWomen team has curated this list for your adventure in England. It is meant to provide packing guidelines, but please also think about how you travel and what works for you as individuals. If you have any questions, please don't hesitate to ask! It's what we are here for.

Dress for the Weather

Temperatures range from 40s - 60s°. It can be warm enough to wear a light shirt, or cold enough to need a fleece. Occasional light rain and drizzle can be common. Light wools, polypropylene fabrics, and wind- and rain-proof clothing are essential. Dressing in layers works best in the UK's changeable weather. Casual clothes are ideal for all parts of this trip.
