

# PACKING LIST - CUBA

## PACK YOUR BAGS!

The AdventureWomen team has curated this list for your adventure to Cuba. It is meant to provide packing guidelines, but please also think about how you travel and what works for you as individuals. If you have any questions, please don't hesitate to ask! It's what we are here for.

## Dress for the Weather

The weather in Cuba this time of year is very nice - high temperatures in the mid-upper 70°s with low humidity. Most days are sunny and there is minimal rain. However, cold snaps have been known to hit some parts of Cuba, where temperatures have been known to fall into the 50°s often associated with winter rainstorms sweeping in from the north. You should include raingear and sweater or fleece jacket with your shorts and t-shirts.
